Dr. McFadden lectures nationally and internationally on dental implant treatment. He received his dental degree from the University of Pittsburgh School of Medicine and his Certificate of Prosthodontics from Baylor College of Dentistry. He was awarded Board Certified by the American Board of Prosthodontics in 1995 and by the American Board of Oral Implantology in 2012. After nine years as a professor at UT Southwestern Medical Center, where he established the Dental Implant Center at Southwestern, Dr. McFadden opened his private practice and continuing education center at McFadden Dental Implant Center in 2002, in Dallas, Texas.

“This activity has been planned and implemented in accordance with the standards of the Academy of General Dentistry Program Approval for Continuing Education (PACE) through the joint program provider approval of (Thommen Medical) The (approved program provider) is approved for awarding FAGD/MAGD credit.”
